

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

January 17, 2006

On August 20, 2005, Barbara Rogers was reported missing from her residence, located in Lakewood. During the course of the investigation, it became apparent that Ms. Rogers was missing under suspicious circumstances.

On September 7, 2005, Ms. Rogers' remains were found in the San Gabriel River basin in the City of Pico Rivera and the case was turned over to the Los Angeles County Sheriff's Department, Homicide Bureau.

Ms. Rogers was a retired Stewardess from TWA and was "Miss Iowa" in 1965. She was a long-time resident of the City of Lakewood and lived alone. Sheriff's Homicide detectives are investigating this murder; however, to date they have received no viable clues regarding the incident.

Investigators believe it would be beneficial to extend the reward in this case, which may prompt otherwise reluctant witnesses to come forward and provide information to identify those responsible for this crime.
